

Infinite Multisport Triathlon Club NEWSLETTER

April 2007

Volume II, Issue 1

April is about fresh starts- you dust off the bike, trade in the treadmill for an outdoor run, and no more cold dry air to breathe. Let's go!

Training April

This month's training calendar is posted at www.infinitemultisport.com. Keep a copy in easy reach, so you can spontaneously jump into a training event instead of staying on the couch.

Club Meeting

C'mon out to the Club meeting on Wednesday, April 18 at Hatchys, 7:30 pm. Downtown Utica. 3rd floor. Open to All.
(Board members only: meet at 6:30 pm)

"Give It A Tri" March 24 @ Fraser Bike

Lots of goodies to tempt you at Fraser Bike on Saturday, March 24. Reps from Profile Design, Q Roo, Specialized, Cannondale on hand; massage; free power test, 12 month financing, wetsuit demos, food.

Race Results

Lending Library

Books, DVDs, wetsuits and other items available free to share with fellow Club members. Check out www.infinitemultisport.com to see what's available. And if you have anything to lend, let Pat Chandler know and we'll add it to the list.

New Brochure

Cool new Infinite Multisport club brochure and membership application is printed. Help spread our name around town: name recognition is important, plus you never know what talents the next new Club member will bring.
